PROJECTS

KELVIN SOEGIARTO – Case Study Portfolio

- Build a dark-themed portfolio website during Vibe Coding using React, Vite, and Tailwind CSS
- Wrote detailed case study pages for 3 deployed projects: EduAscent and adOWptme (React/Vite, deployed on vercel) and Bloomwell (PHP/MySQL, deployed on InfinityFree)
- Enabled users to know more about me by showcasing my achievements and all the projects I've made
- Utilized: React, Vite and Tailwind CSS

July 2026
